

REQUEST FOR PROPOSALS:
Case Management Services

Due Date: July 11, 2018

Jackson Medical Mall Foundation
Support & Outreach Services
350 W. Woodrow Wilson Ave. Suite 3504
Jackson, MS 39213

Goals, Objectives & Overview

The Jackson Medical Mall Foundation hereby extends an invitation to qualified firms to submit a proposal for the project referred to as **The Jackson Medical Mall Foundation’s Jackson MSA Housing Program.**

The Jackson Medical Mall Foundation is seeking qualified organizations interested in providing Case Management Services to participants in the Jackson MSA Housing Program who reside in Copiah, Hinds, Madison, Rankin, and Simpson counties. JMMF is committed to improving the current housing status of individuals and their families through promotion of housing based case management. Case Management Services play an integral role in assisting individuals with identifying current housing barriers, enrolling in needed services, and assuring that needed supports are in place to help each person thrive in the community.

JMMF is committed to selecting providers that are particularly dedicated to providing high quality, culturally and linguistically competent services that are responsive to the diverse needs of the population.

Request for Proposal documents will be available for pick up, e-mail, sent via regular post mail and posted on the JMMF website and may be obtained by contacting Shante’ Black, VP of Support & Outreach Services at 601-982-8467 ext. 119 or via email at sblack@jacksonmedicalmall.org or Amber Gray, Project Manager at 601-982-8467 ext. 111 or via email at agray@jacksonmedicalmall.org.

Scope of Services

The main goals of Case Management Services are to improve the current housing status, improve the overall quality of life of all program participants and to promote their long-term stability. In order to achieve all goals, services include, but is not limited to, assessments to determine strengths and service needs; linkage to resources, including housing; development and implementation of a housing plan, assistance in developing support systems and monitoring of engagement in services that help navigate participants through any challenges they may encounter. As soon as participants are enrolled in services, Case Management providers should be actively working to promote the participants long-term stability.

Case Management Service providers selected through this RFP will provide the following services:

1. Monitor and manage a case load of up to 1,000 Jackson MSA Housing Program participants.
2. Conduct a minimum of one (1) bi-weekly contact with participants.
3. Conduct at least one of the monthly contact using face-to-face interview techniques.

- a. These contacts may take place in the JMMF neutral space, in the community such as a public library, applicant's office space or JMMF Support & Outreach Office.
 - b. One electronic or virtual contact as a follow up to face-to-face contacts is permissible.
 - c. Conduct home visits as permissible with mutual agreement of the participant and case manager.
4. Interface with the case management software, HMIS, for data collection, data retrieval and quality control process.
5. Assist up to 1,000 participants with the completion of Housing Plans and provide follow up assistance to each.
6. Interface with the program director and program manager regarding the case management analytics on a quarterly basis.
7. Participate in monthly collaborative case management activities to review and make recommendations that impact participants capacity to manage their health.
8. Assist in report writing and editing as necessary for program director to submit accurate and timely reports.

Target Population

All referred clients who meet the medical necessity criteria for entry into the Jackson MSA Housing Program must receive Case Management Services. JMMF also requests that providers give priority to individuals who may be particularly vulnerable to or at risk of adverse outcomes without these services in place.

Staff Requirements

Employing qualified, highly trained staff is a critical component of Case Management Service due to the diverse needs of individuals who are in need of services. Particular emphasis should be given to training staff on obtaining and maintaining benefits, cultural and linguistic competence, person-centered planning, strengths-based case management, and motivational interviewing. Case Management Providers should also provide adequate supervision of staff, particularly staff who spend most of their time in the field. All staff must also obtain HIPAA Certifications as well as other trainings that may be beneficial for service delivery.

Program Reporting Outcomes

Selected applicants will be expected to report client data to JMMF and input required data into the HMIS System during the entirety of the approved service term. JMMF will require at least quarterly reporting on key factors that are assessed throughout the participant's tenure with Case Management Services. JMMF will collaborate with the selected provider to develop outcomes and associated data reporting mechanisms. Data points may be qualitative and quantitative in nature including, but not limited to:

- Demographic information
- Linkage to and engagement in needed housing services or counseling.
- Linkage to entitlements and other needed resources.
- Housing status
- Hospital Admissions
- Engagement in meaningful activities such as work, education, volunteerism, etc.

The selected providers will be required to develop and implement practices and procedures to support the system outcomes outlined above.

Applicant Eligibility

Applicants must meet all of the criteria below to be considered eligible to become a Case Management Services provider through this RFP:

- Applicants must be a non-profit organization with 5 years of experience as a Case Management Service Provider.
- Applicants must be approved and/or licensed in Mississippi as a Case Management Service provider and license must be in good standing.
- Applicants should have knowledge of public behavioral health systems and the target population.
- Applicants should have a strong commitment to provide culturally competent, high quality services to eligible participants.
- Applicants must not be listed on the Debarment & Suspension List.

Evaluation & Award Process

The submission of a proposal does not, in any way, guarantee an award. JMMF is not responsible for any cost incurred related to the preparation of a proposal in response to this RFP. JMMF reserves the right to withdraw an award prior to execution of a contract with a selected applicant in JMMF's sole and absolute discretion.

JMMF will select the most qualified and responsive applicant through this RFP process. The awarded applicant will serve as the Case Management Service providers for all Jackson MSA Housing Participants residing in Copiah, Hinds, Madison, Rankin, and Simpson counties. The selected Case Management Service provider will be the only provider permitted to serve the target population. JMMF will enter into a contract with the selected applicant following notification of award. Case Management Services are grant funded. Funding for the program is supplied by the City of Jackson. Selected applicants must comply with all terms and conditions applicable to contracts executed by JMMF and the City of Jackson.
